

DAIL EIREANN LIKELY TO ACCEPT PARLEY

Republican Cabinet Meets and Sinn Fein Envoy Going to Inverness.

TO SELECT DELEGATES
Assembly Will Be Called to Choose Members of Conference.

SEES FREEDOM COMING

Michael Collins Predicts Victory Owing to Strength of Irish Position.

By the Associated Press.
DUBLIN, Sept. 10.—The Irish Republican Cabinet was in session late tonight. It is expected that J. C. Barton, the Sinn Fein envoy, will leave here for Inverness tomorrow night, certainly before Wednesday's meeting of the Dail Eireann.

This is taken to indicate that the Dail Eireann will accept Premier Lloyd George's invitation to a conference and that the meeting of the Dail Eireann has been summoned to endorse the plenipotentiaries.

"At this time," said Mr. Collins, "there is no excuse for keeping those prisoners at all. Every one of us is more guilty, because these men only obeyed orders, and if it is right that they should be abroad it is wrong that they should be in jail."

He urged the appointment of an impartial body from the English and Irish Governments to secure fair treatment of prisoners in accordance with the status to which they were entitled. He incidentally confirmed the reported escape of some forty men interned at Curragh, saying, "This is the first time prisoners have escaped without cooperation from the outside, which would be a breach of the truce."

He concluded with emphasis: "Irish freedom is coming, not because of any action of our enemies or for any hope they hold out, but because of the strength of our position, because of the men who have died for Ireland and because of the men who are still prepared to die for Ireland and who will not stop until Irish freedom is secured."

Michael Collins, commander of the Irish republican army, made an address today at a Gaelic fete at Rathfarnham on behalf of the fund for the dependents of republican prisoners. Richard Mulcahy, chief of staff, and other republican leaders were on the platform.

Mr. Collins said that 3,200 Irishmen were now interned, 1,500 serving sentences and about 1,000 against whom no charges had been made public. Fifteen thousand persons depending on the earnings of these men were supported.

He charged ill-treatment of the prisoners. One man, he declared, had been brutally ill-treated at Bandon by four officers at the request of a soldier who had met "a just fate" since. Cheers greeted this statement.

DAIL NAMES ENVOYS TO BRITISH PARLEY

Berlin Has No Doubt About Inverness Conference.

By the Associated Press.
LONDON, Sept. 10.—The Dublin correspondent of the Westminster Gazette sent the following despatch to his newspaper to-day:

"It can now be stated with authority that representatives from the Dail Eireann will meet the British representatives in a conference at Inverness on September 20."

"As a matter of fact the Dail representatives already have been decided upon. They include Arthur Griffith, John MacNeill and Robert C. Barton."

"It is not expected that Eamon de Valera will attend the conference, but he and others will be immediately available for consultation by the Irish representatives."

It was understood that when the Republican Parliament adjourned at Dublin recently it had conferred plenipotentiary powers on Mr. de Valera and his colleagues. The note from Mr. Lloyd George, however, is asserted to have brought a factor into the situation which made it necessary for the Parliament to meet and widen the scope of the mandate it gave its leaders. This meeting will be a secret session, to be held Wednesday.

The members of the Parliament, it is pointed out, took the oath of allegiance to "the Irish Republic and the Government of the Irish Republic," and pledged themselves not to "yield voluntary support to any pretended Government, authority or power within Ireland hostile or inimical thereto." Thus it would appear the condition precedent that there could be no separation of Ireland from the British Empire, which was laid down by Mr. Lloyd George, would, in effect, call upon Mr. de Valera and members of his Ministry, creatures of the Parliament, to recede from Government, authority or power in Ireland other than that of the Dail Eireann if they accepted his invitation. It would also seem that they must be especially empowered to meet the British Minister on the basis laid down in his latest note.

Announcement in Dublin yesterday that the Dail Eireann had been called to meet next Wednesday was variously construed here, but there were no wanting those who believed Irish chieftains would find a way to attend the conference. It was reported that, if necessary, the date of the meeting, tentatively fixed for September 20 by the Prime Minister, might be postponed a week so that the Dail Eireann and its leaders would not be inconvenienced by the short period intervening.

REV. MR. TIPLLY SEES WORLD'S MORAL SLUMP

By the Associated Press.
LONDON, Sept. 10.—"Not the world has fallen into a moral slump; that there has been a universal recrudescence of sin, particularly in America, and that physical force rather than the moral law has been given supremacy, were among the declarations made here to-day by the Rev. Ezra Tiplly, of Madison, N. J., in an address before the Methodist Bournemouth Conference."

In his address on the subject "Christ the World's Greatest Need," he made an attack on modern civilization generally.

"There is a growing vulgarity and recklessness in dress and behavior," he said, "and an increasing disregard for the sanctity of the home. The world is groaning under industrial coercion, oppression, antagonism, race riots, ignorance and illiteracy."

SOVIET ORDERS AWAIT U. S. TRADE AGREEMENT

Funds for Payment of Goods Must Be Assured.

Special Cable to THE NEW YORK HERALD.

New York Herald Bureau.
Berlin, Sept. 10.

Soviet Russia cannot place in the United States orders for locomotives and other things she needs, no matter how reasonable the price until a trade agreement with America insures the security of Russian funds for the payment of these goods, Prof. Loamsoff, buyer of all transportation supplies for Russia, said to THE NEW YORK HERALD correspondent here to-day. He said he had received attractive bids from American locomotive works.

According to Prof. Loamsoff, he has just purchased for Soviet Russia railroad supplies costing \$182,000,000. His purchases include 1,500 locomotives, of which 1,000 were ordered in Sweden and 500 in Germany, 900 locomotive tubes and 1,500 tires. Recently, he said, he bought 1,500 tank cars, 1,000 of them in England and the rest in Canada. He added he placed orders in Germany for 80,000 rails.

Prof. Loamsoff said he also was placing orders for tools, nails, electro-technical goods and steamship equipment, the latter for fifty ships owned by the Soviet Government.

PARIS PAPER OPPOSED TO BRIAND AS ENVOY
Says Conference Should Not Be a Council of Chiefs.

PARIS, Sept. 10.—Premier Briand's attendance at the forthcoming conference on armaments in Washington is opposed in an editorial printed to-day by the Journal des Debats.

"We have on several occasions indicated various reasons why Premier Briand should change his mind about going to Washington," says the article. "Public opinion in the United States does not wish that, like the conference which drew up the Versailles treaty, which it considers a bad treaty, the Washington conference should be a council of chiefs of governments. We believe we can say that French opinion is similar."

"Premier Briand's personality is not concerned: it is a question of principle," the editorial continues. "If, as it is announced, Mr. Lloyd George has definitely decided to refrain from going to Washington, Premier Briand has good reasons for doing likewise."

GRAIN SHOPS LOOTED IN RIOT NEAR DELHI
Corn Mills at Meerut, India, Also Scene of Outbreak.

ALLAHABAD, British India, Sept. 10.—Serious rioting, marked by wholesale looting of grain shops, occurred in broad daylight at Meerut, thirty-five miles northeast of Delhi, yesterday. It is said in a telegram received from that city. In the course of two hours the entire stocks of the shops were removed by the rioters. A similar outbreak occurred at the corn mills at Meerut, and the losses are estimated at approximately \$120,000.

The trouble started when two grain merchants were arrested on a charge of swindling a purchaser, the incident being aggravated by the present shortage of grain. Several of those who participated in the disorder were arrested.

POLISH PREMIER WITH HIS CABINET RESIGNS
Second Effort of Witos to Quit Is Successful.

By the Associated Press.
WARSAW, Sept. 10.—The Polish Cabinet, headed by Vincent Witos, resigned to-day.

M. Witos assumed the Premiership on July 24, 1920. In May last he resigned his resignation to President Pilsudski as a result of the inability of the Government to solve the Upper Silesian problem. The resignation was not accepted, however, the President managing to induce M. Witos to withdraw his resignation and renew his efforts to reconstruct the Cabinet.

Japanese Business Men Coming Here To Give Moral Support to Delegates at Arms Parley.

By the Associated Press.
Tokio, Sept. 10.—Announcement of plans by a number of prominent Japanese business men to visit the United States and England in the near future is described by the Nichi Nichi Shimbun as the "embodiment of the plan of the commercial elements of the empire to start an extensive propaganda intended to make clear Japan's sincere attitude."

The mission's idea is to give moral support in the form of a strong background to Japan's official delegation at the conference on limitation of armaments in Washington. Its members will exchange views with leaders in business, financial and political circles in the United States and strive to remove all misunderstandings.

Newspapers here approve of the definite choice of M. Shidehara, Japanese Ambassador to the United States, as one of the chief delegates to the conference. His calmness and capability are praised, and belief is expressed that he will handle in an excellent manner the diplomatic problems that arise.

Admiral T. Kato, Minister of Marine, will head the mission at the conference, interest in which is unabated here. Newspapers and magazines are filled with views of publicists regarding the meeting, while newspapers carry daily special despatches from New York, Washington and London covering all aspects of the gathering.

POPULARITES DEMAND COUNCILLORS' RELEASE
Thousands March Through London, Band Playing.

By the Associated Press.
LONDON, Sept. 10.—A delegation from Poplar, a thousand strong, marched through London this afternoon carrying banners demanding the release of the Poplar Borough Council members, who recently were imprisoned for refusing to comply with an order of the High Court requiring them to raise tax rates in accordance with a ruling of the London County Council. Numerous policemen, mounted and on foot, escorted the procession, but the demonstration proved entirely orderly.

The majority of the marchers were workmen, and most of them were in merry mood, many at times dancing to airs played by a band in the typical East End fashion, with which Ploccadilly became familiar during the armistice celebration. A feature of the demonstration was life and drum corps playing of the Irish "Soldier Song."
